Dear Shareholder,

**RE: Notification of amendment to the investment policy of the Janus Henderson US Strategic Value Fund (the “Fund”), a sub-fund of the Company**

We are writing to you as a Shareholder in the Fund to inform you of the following proposals to amend the investment policy of the Fund to introduce a performance target for the Fund and in line with recent regulatory guidelines, to include additional disclosure in the Prospectus on the use of a benchmark in managing the Fund.

- The performance target for the Fund will be to outperform the Russell 3000® Value Index (the “Benchmark”) by 2.5% per annum, before the deduction of charges, over any 5 year period.”
- The Fund is actively managed with reference to the Benchmark, which is broadly representative of the companies in which the Fund may invest. The Sub-Investment Adviser has discretion to choose individual investments for the Fund with weightings different to the Benchmark or not in the Benchmark, but at times the Fund may hold investments similar to the Benchmark.

In addition, the Prospectus is being amended to reduce the amount which the Fund can invest in the securities of non-US issuers, which are generally traded on Regulated Markets that are not considered Developing Markets, from 33% to 20% of its net asset value. This proposed change is being made to more accurately reflect the current investment portfolio of the Fund.

## **Effective Date of the changes:**

Subject to regulatory approval, the revised prospectus is expected to take effect on or around 18 February 2020 (the “Effective Date”). The Company will confirm the effective date of the change by way of an announcement which will be available on Janus Capital International Limited’s website at [www.janushenderson.com](http://www.janushenderson.com).

If you have any questions please do not hesitate to contact your distributor or usual Janus Henderson representative.

Yours sincerely,
