

THE TERMS USED BUT NOT OTHERWISE DEFINED IN THIS NOTICE SHALL HAVE THE SAME MEANINGS AS THOSE DEFINED IN THE REPLACEMENT PROSPECTUS DATED 3 SEPTEMBER 2018 AS AMENDED FROM TIME TO TIME (THE “PROSPECTUS”).

20 December 2018

Dear Unitholder,

We are writing to inform you, as a Unitholder of the Janus Henderson Global Technology Fund (**JHGTF**), that the performance fee of the Janus Henderson Horizon Fund – Global Technology Fund (the **Luxembourg Fund**) will be waived with effect from 1 December 2018 until further notice.

What is the Luxembourg Fund change and why is it being made?

A reference benchmark, the MSCI AC World Information Technology Index (the **Benchmark**), is used to calculate the performance fee of certain share classes of the Luxembourg Fund. Consequently, the benchmark of JHGTF (which invests into the Luxembourg Fund) is also this Benchmark. Please note that the Benchmark is solely for the purpose of calculating the performance fee of the Luxembourg Fund and should under no circumstance be considered as indicative of a specific investment style.

The Benchmark administrator, MSCI Limited, has restructured the Benchmark on 30 November 2018, meaning that the constituents of the Benchmark have changed with the reclassification of certain companies in it into another benchmark. As a result, the Benchmark is no longer appropriate for the calculation of the performance fee of the Luxembourg Fund going forward and may be potentially disadvantageous to investors. The Underlying Managers have therefore decided to waive any performance fee that may accrue and be payable for the Luxembourg Fund as of 1 December 2018 until further notice.

The benchmark of JHGTF remains the MSCI AC World Information Technology Index, until the Underlying Managers complete an in-depth review to identify and propose a new benchmark for the performance fee calculation of the Luxembourg Fund. Before introducing such a new benchmark, relevant regulatory approval will be obtained and prior shareholder notice will be given before its implementation and subsequent removal of the waiver for the Luxembourg Fund, and consequently for JHGTF.

The notice to the shareholders of the Luxembourg Fund is attached with the full details.

We confirm that in respect of the Luxembourg Fund change:

- There is no impact on our overall investment strategy and no change to the overall risk profile of JHGTF; and
- There are no new fees or charges, or increases in existing fees or charges borne by JHGTF.

Dear Shareholder,

Notice of performance fee waiver for certain share classes of the Janus Henderson Horizon Fund – Global Technology Fund (the "Fund"), a sub-fund of the Company

We are writing to you as a Shareholder in the Fund to notify you that we have waived the Performance Fee for certain share classes of the Fund listed in Appendix 1 of this notice (the "Share Classes") with effect from 1 December 2018 until further notice.

What is this change and why are we making it?

By way of background, the Investment Manager is entitled to receive a Performance Fee for certain share classes of the Fund, including the Share Classes referenced in this notice. A reference benchmark is used to calculate the Performance Fee for these Share Classes, which currently is the MSCI AC World Information Technology Index (the "Benchmark"). Please note that the Benchmark is solely for the purpose of calculating the Performance Fee and should under no circumstances be considered as indicative of a specific investment style.

The Benchmark administrator, MSCI Limited, has recently announced that they will be restructuring the Benchmark on 30 November 2018, meaning the constituents of the Benchmark will change with the reclassification of certain companies in it to another benchmark. As a result, the Management Company and the Investment Manager have jointly concluded that the Benchmark will no longer be appropriate for the calculation of the Performance Fee going forward and may be potentially disadvantageous to Shareholders. Accordingly, in advance of being able to identify a more appropriate benchmark for the Performance Fee calculation, the Management Company and the Investment Manager will waive any Performance Fees that may accrue and be payable for the Share Classes as of 1 December 2018 until further notice.

We confirm that in respect of the waiver:

- There is no impact on our overall investment strategy and no change to the overall risk profile of the Fund; and
- There are no new fees or charges, or increases in existing fees or charges borne by the Fund.

What action is required?

The above is for your information only and there is no action required of you.

Our intention is to complete an in-depth review in order to identify and propose a new benchmark for the purposes of calculating the Performance Fee in light of the above. However, before introducing any such new benchmark, we will seek relevant prior regulatory approval and give relevant prior shareholder notice before its implementation (and thereby the removal of the Performance Fee waiver). We will write to you separately in respect of relevant developments in this regard, in due course.
