

THE CITY OF LONDON INVESTMENT TRUST PLC

Schedule of Matters Reserved for the Board

Whilst the Board has delegated the management of the Company's investments to the Manager, and certain functions are dealt with by Committees which report to the Board, the Directors collectively are ultimately responsible for all affairs of the Company. The following matters are specifically reserved for determination by the Board of Directors.

URGENT MATTERS

For matters that have to be dealt with urgently, between regular Board meetings, a meeting will be held in person, or by telephone or video conference in which as many Directors as possible will participate. This will allow Directors the opportunity to discuss the matter and raise questions. Any Director unable to attend will be sent the relevant papers and will have the opportunity to give their views to the Chairman, another Director or the Company Secretary before the meeting.

If the matter is routine and discussion is unnecessary, the approval of all Directors may be obtained by means of a written resolution. In all cases the procedures will balance the need for urgency with the overriding principle that each Director should be given all relevant information, the time to consider it properly and an opportunity to discuss the matter prior to the commitment of the Company.
